

Data sheet

Joint sheet metal 0.6 x 200 mm- galvanised

uncoated

[Show product](#)

article number:	070120
article group:	209 - Kleincoils
GTIN:	4251689513107
customs tariff number:	72123000
packing unit:	Roll
sales quantity unit:	30 lfm
weight per:	Roll = 28.8 kg
material:	Fe
	galvanised Z
colour:	silvery
type:	slit strip
material grade:	S235 – plate DC01 – sheet metal
steel surface:	NA, RA
tensile strength:	270 - 410 N / mm ²
elongation at break:	A80 ≥ 270 %
yield strength ReL/Rp0,2:	140 – 280 N / mm ²
in accordance with:	DIN EN 10346: 2015-10
safety aspect:	The galvanised joint sheet metal rolls do not contain any hazardous substances and pose no problems whatsoever in terms of handling and application. To the best of our knowledge, they contain no substances that are harmful to groundwater or could trigger health problems or allergic reactions in the installer. Nonetheless, we recommend that an appropriate level of hygiene is observed during application and that hands are washed as a basic rule before meals. The galvanised joint sheet metal rolls are not flammable
storage:	Store in undamaged and unopened original packaging in a dry place.

Basis

All dimensions and information in this data sheet reflect the results of the laboratory tests that have been carried out. Deviations from the values determined by us under laboratory conditions are possible due to environmental and operating conditions beyond our control. The data in this data sheet only applies for the product delivered by us. The product data corresponds only to the specifications in Germany. Possible country-specific deviations are not taken into account here.

Indication of law

The technical information reflects our current knowledge of Joint sheet metal 0.6 x 200 mm-galvanised. It is intended only as information for users. As we do not know the envisaged applications and processing conditions, it is the responsibility of the user to carefully check that the product is suitable for the intended purposes. Due to the different components at the installation site and the working conditions in place there, MASTERTEC cannot provide any guarantee whatsoever for the result of the work. Claims arising from any legal relationship can only be recognised in the event of wilful intent or gross negligence, irrespective of the statements made here or advice provided verbally. In this case the user must prove that he has provided MASTERTEC in writing with all the information required to correctly assess the installation situation in good time. Subject to necessary product specifications or further developments. By providing this information MASTERTEC does not intend to infringe third party rights. The latest data sheet in each case applies. Our corresponding terms and conditions of sale and delivery apply.
