

Data sheet

MASTER-MultiFlex 140 (MMF 140)

with additional swelling profile width 140 mm, roll length 25 mm

[Show product](#)

article number:	080646
article group:	212 - MMF 140 + Zubehör
GTIN:	4251689507243
customs tariff number:	39162000
packing unit:	Roll
sales quantity unit:	25 m
material:	joint tape: soft PVC
	swelling tape: TPE
colour:	joint tape: black
	swelling tape: white
surface:	joint tape: corrugated
	swelling tape: smooth
length of joint tape:	25 m / roll
height of joint tape:	140 mm
thickness of joint tape:	approx. 6 mm
test certificate/ approvals:	Assessment report
	MPA Braunschweig
	P-1201/057/17 MPA-BS dated 19.10.2018
suitable for zones with frequently varying water levels:	yes
corresponds to:	Utility class A for the wear classes 1 and 2 in accordance with the WU guideline
Substances according to the SVHC list:	no
conform to REACH guideline:	yes
thermal scope of application:	-10° to +60° C
waterpressuretightness:	4,5 bar (45m water column)

storage:	Store in undamaged and unopened original packaging in a dry place out of direct sunlight.
disposal:	Can be disposed of at municipal waste landfill sites, taking into account the local waste disposal regulations.

Basis

All dimensions and information in this data sheet reflect the results of the laboratory tests that have been carried out. Deviations from the values determined by us under laboratory conditions are possible due to environmental and operating conditions beyond our control. The data in this data sheet only applies for the product delivered by us. The product data corresponds only to the specifications in Germany. Possible country-specific deviations are not taken into account here.

Indication of law

The technical information reflects our current knowledge of MASTER-MultiFlex 140 (MMF 140). It is intended only as information for users. As we do not know the envisaged applications and processing conditions, it is the responsibility of the user to carefully check that the product is suitable for the intended purposes. Due to the different components at the installation site and the working conditions in place there, MASTERTEC cannot provide any guarantee whatsoever for the result of the work. Claims arising from any legal relationship can only be recognised in the event of wilful intent or gross negligence, irrespective of the statements made here or advice provided verbally. In this case the user must prove that he has provided MASTERTEC in writing with all the information required to correctly assess the installation situation in good time. Subject to necessary product specifications or further developments. By providing this information MASTERTEC does not intend to infringe third party rights. The latest data sheet in each case applies. Our corresponding terms and conditions of sale and delivery apply.
